# All sponsors confirmed for DIT Civil Nuclear Showcase 2018

Register before 31 January to secure your place at the DIT Civil Nuclear Showcase 2018

*With an established reputation in the civil nuclear calendar, this premier annual event is not to be missed. The Showcase provides a unique opportunity to network with a diverse mix of senior delegates from the UK and all around the world, including China, France, Japan and South Korea.*

The Department for International Trade (DIT) will facilitate the two-day event, for which a range of high-profile sponsors and exhibitors have already registered. Tickets are selling fast and we are encouraging interested parties to register their interest now to avoid disappointment.

A tailored programme will provide valuable insights into the latest developments in the global civil nuclear marketplace and help you develop business opportunities.

Country briefings will illustrate opportunities for UK companies to export to and collaborate with international partners.

**Register before 31 January 2018 to receive these exclusive benefits:**

- **Pre-book 1-2-1 meetings** with overseas delegates
- Have your **company listed in the event brochure** distributed to all UK and overseas delegates
- **Apply for your place at side events** with France, China and Germany
- **Special rate** of £195 +VAT per delegate (£295 +VAT thereafter)

## Sponsors and Exhibitors

All of the sponsorship packages have now sold:
