Nuclear 2018

Supporting the Nuclear Sector Deal

Thursday 6 December
Victoria Park Plaza, London
nuclear2018.co.uk

The Nuclear Industry Association's 18th Annual Conference will take place on Thursday 6 December at Victoria Park Plaza, London.

With a specific focus on the Nuclear Sector Deal, sessions will include the UK nuclear supply chain, finance and cost drivers, diversifying the nuclear workforce, as well as innovation in areas such as decommissioning.

Confirmed speakers: **Zheng Keping**, CTO, CGN; **Rob Davies**, COO, CGN; **Dominic Kieran**, Chief Commercial Officer, Urenco; **Ian Chapman**, CEO, UKAEA; **Corhyn Parr**, Vice President, Nuclear and Environment, AECOM; **Campbell Kier**, Director, Energy and Infrastructure, Department for International Trade; and a representative from Horizon Nuclear Power.
