

**PRIOR DIESEL**

A Suretank Company

## **QUALITY, HEALTH, SAFETY and ENVIRONMENTAL POLICY STATEMENT**

**Prior Diesel Ltd are industry leaders offering the Offshore, Energy, Marine and Industrial Markets bespoke design and equipment manufacture services.**

**Generally the equipment is mobile skid units designed to be operated in hazardous areas, typically offshore Oil and Gas installations. We also service & repair diesel driven power systems and are a multi-franchise distributor of engines & spare parts.**

**We aim not only to satisfy, but will also strive to exceed our clients' expectations by providing them with quality products and services, in a safe and environmentally friendly manner, therefore our aim will always:**

- Conduct our work with the goal of zero harm to people, material and the environment, including zero impact from our operations and activities on the community in which we operate
- Provide an Integrated Management System that complies with applicable ISO 9001 standards
- Clearly define and document our aims and objectives
- Commit to continual improvement of our quality management system
- Train and develop our people to the standard required to deliver excellent service to our clients while demonstrating our commitment to QHSE best practice, compliance and improvement
- Identify and comply with all relevant legislation and industry standards
- Deliver zero damage to material or the environment as a result of our operations
- Ensure careful use of material resources to reduce waste and pollution
- Create a culture that aids the prevention of injury and / or work related illness
- Ensure the health and safety of any sub-contractors and other persons who may be affected by our activities
- Ensure that all employees are aware of their statutory duties and take reasonable care of themselves, others and the environment in which they work and live
- Ensure confidentiality of information, including that provided by our clients

**Prior Diesel Ltd will endeavour to achieve these aims and meet our business objectives through: the review and continuous improvement of the Integrated Management System, internal communication, competent and professional supervision and the ongoing training and development of all personnel.**
