

Camplings & Center Parcs Elveden – A Case Study Overview

Camplings has provided a professional linen hire, laundry and work wear service to Center Parcs Elveden for more than 30 years.

The longevity of this business relationship reflects Camplings ability to fulfil the needs of a large Customer with > 2000 beds and to adapt to the progressive and evolving offer this organisation provides for its Guests.

In working with Elveden (CP), Camplings provides the following laundry services :

- > 60,000 pieces of clean laundry delivered per week
- 6 Days a week collection of soiled linen and delivery of clean laundered products
- Preparation of bed-packs to accommodation units
- Two tier of linen specification for the different accommodation types
- Multiple range of towelling supply to support both accommodation and leisure service needs
- Supply of Chefswear to meet F&B needs
- Supply of table linen (including short term hire) for both F&B and Conference needs
- Management of stock

- Operational resilience provided by contingency/disaster recovery plans utilising sister business in Cambridge (Swiss Laundry Ltd).

- Both Camplings Ltd and Swiss Laundry Ltd have the new state of the art production facilities less than 5 years old, having re-located from former locations in close proximity.
