

ENVIRONMENTAL POLICY STATEMENT

Pinnacle Consulting Engineers Limited (the 'Organisation') recognises the importance of its environmental obligations and is committed to operating its business responsibly and in compliance with all legal requirements relating to the provision of civil and structural engineering design and consultancy services. It is the Organisation's declared policy to operate with and maintain good relations with all regulatory bodies.

It is the Organisation's objective to carry out all reasonably practicable measures to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

1. Assess and regularly re-assess the environmental effects of the Organisation's activities
2. Training of employees in environmental issues
3. Minimise the production of waste
4. Minimise material wastage
5. Minimise energy wastage
6. Promote the use of recyclable and renewable materials
7. Reduce and/or limit the production of pollutants to water, land and air
8. Control noise emissions from operations
9. Minimise the risk to the general public and employees from operations and activities undertaken by the Organisation.

Top management demonstrates leadership and commitment with respect to the Environmental Management System by:

1. Taking accountability for the effectiveness of the Environmental Management System
2. Ensuring that the Environmental Policy and Environmental Objectives are established and are compatible with the strategic direction and the context of the Organisation
3. Ensuring the integration of the Environmental Management System requirements into the Organisation's business processes
4. Ensuring that the resources needed for the Environmental Management System are available
5. Communicating the importance of effective environmental management and of conforming to the environmental management system requirements
6. Ensuring that the Environmental Management System achieves its intended outcomes
7. Directing and supporting persons to contribute to the effectiveness of the environmental management system
8. Promoting continual improvement
9. Supporting other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility.

This Policy is communicated to all employees and is made available to suppliers, sub-contractors and any other interested parties.
