

This is to certify that

John Mills

Attended the following course on the 20th August 2021

Health and Safety for PanaEpos Activities

A half-day bespoke session developed specially for PanaEpos. The session covered the key risk areas faced by the team, and was split into five elements:

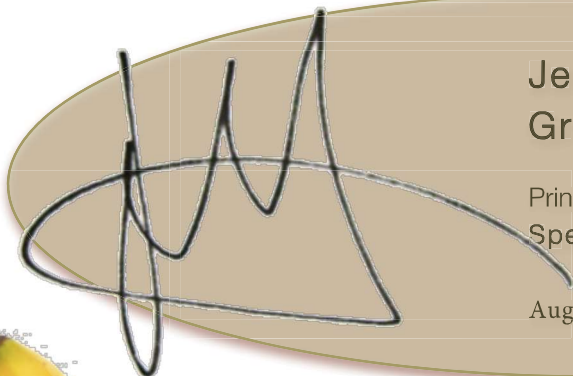

Section 1: Health and Safety Awareness

Section 2: Staying Safe when Lone Working

Section 3: Basic Asbestos Awareness

Section 4: Manual Handling Awareness

Section 5: Safe Use of Steps and Ladders
